Project Name: CLASSROOM/LABORATORY REDEVELOPMENT (OLD LAW CENTER RENOVATION)

Project Number: H27-6118-FW

Project Location: University of South Carolina, Columbia, SC

Agency: University of South Carolina requests letters of interest & a current resume of qualifications from persons or firms interested in providing professional services for the project listed above. The Agency Coordinator will receive resumes until the deadline & at the address indicated below. An Agency Selection Committee will evaluate each of the persons or firms interviewed using the criteria set forth in Section 11-35-3220 of the SC Code of Laws, as amended, & any other special qualifications required pursuant to this solicitation.

Licensure: To be considered for selection, persons or firms must be properly licensed in accordance with the requirements of Title 40 of the SC Code of Laws, as amended, at the time of resume submission.

Any questions concerning this solicitation must be addressed to the Agency Coordinator listed below.

Public Notices: All notices (Notice of Meetings, Notice for Selection for Interviews SE-612, and Notification of Intent to Award SE-619) shall be posted at the following location: Lobby area, @ 743 Greene St., Columbia, SC 29208

Description of Project: The project will undertake a comprehensive renovation of the 194,000 gross square feet, five-story building. It is anticipated that all original mechanical and electrical systems will be replaced as required for the redevelopment of this building into a modern classroom, office and instructional lab facility. Significant asbestos and lead paint will be abated. Sprinklers and other life safety systems will be installed. Three floors of the five-story west tower will be fully upfit to provide approximately eighteen instructional labs for science courses with emphasis on chemistry. Other space in the building shall remain as a conditioned shell prepared for future academic upfitting. It is anticipated that some core elements will be relocated requiring structural design to maintain or enhance structural integrity. The building lobby will be renovated and potentially expanded to enhance the entrance experience. Other exterior enhancements could be explored to include allowing more natural light to permeate the building and site improvements to replace most on-site parking with green space as the budget may allow. Architects and engineers submitting qualifications for this project should possess extensive instructional lab experience necessary to transform portions of the building into a modern and engaging teaching environment for science labs. The primary objectives for the project are to create a dynamic teaching environment reflecting current trends in education and to provide as much building system replacement as the budget will allow facilitating future academic upfitting.

Description of Professional Services Anticipated for Project: Architectural, Mechanical, Electrical, Plumbing, Fire Protection, and Hazardous Materials Removal

Anticipated Construction Cost Range: \$35 - \$40 Million

Note: Interested persons & firms should submit a current standard federal form 330, The name & contact information, including email, of a primary contact; a certification stating whether the person or firm is a resident of SC (see SC code section 11-35-3215).

Intent to Sole Source

SOUTH CAROLINA DEPARTMENT OF HEALTH & ENVIRONMENTAL CONTROL

The South Carolina Department of Health & Environmental Control (DHEC) is seeking qualified vendors to provide single use qualitative immunoassay reagent kits, test-specific consumables, and equipment to detect and differentiate antibodies to Human Immunodeficiency Virus types HIV-1 and HIV-2 in human serum or plasma. The test must be FDA-approved for clinical laboratories and in accordance with the Center for Disease Control algorithm for Laboratory Testing for the Diagnosis of HIV infection. The tests and instrumentation will be used by DHEC's Bureau of Laboratories.

Qualified vendors should contact Rebecca Nichols at 803-898-1262 by April 11, 2016 for additional formation.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
